

Jammy and Eddy,

Thank you for your hospitality. Every day we commented about how we selected the perfect, most ideal place to stay. The close proximity allowed us to run back to the apartment for any reason - so convenient!

We will definitely recommend the Backstop Apartment to other families coming to All Star Village.

Thanks,

Bob, You guys make a concierge at the fanciest hotel look bad! You went way over the call of duty helping us with our car trouble & then getting the balloons & candy for Mike's birthday was great. As you probably already know, the fans & parents of the boys compare notes & we all agreed we rented from the best. We appreciated the warm welcome you gave and all the touches to make this seem like home.

Many Blessings
