

Harnet: Tony -

Thank you so much for your hospitality. We were all so comfortable and absolutely loved all the surroundings. The highlight was the pond! The kids loved it.

It was a perfect fit for what we needed. We appreciate your kindness and help while we stayed. A very enjoyable trip to NY!

Go Yankees!

Harriet & Tony,

Thank you so much. We had a wonderful time. My kids loved how quiet the place was and were able to sleep in each morning. Once I got them out we were always so late getting back.

We loved the pond. We caught a little frog. It is so beautiful here. We also loved looking for deer, bunnies & turkeys.

We did a little exploring. We had a great time at Howe Caverns & Fly Creek. Our favorite food was ice cream at Friendly's.

We had a fun week. Our team did really well. There were 102 teams this week.
